

SPONSORSHIP PROPOSAL 2024

The Inverleigh Football and Netball Club is a successful club that embraces the community, demonstrates respect, communicates clearly with its members and produces a healthy and safe environment for all members to enjoy.

Season 2023 was undoubtedly the most successful year in the club's recent history both on and off the field. With drought breaking victories in both senior and reserve grade football along with final appearances in multiple grades of senior netball, we as a club we could not be prouder.

Our junior program continues to grow in record numbers. This year we fielded teams in all age levels of football and netball competitions which included two junior female teams. Providing pathways for all players and our future leaders remains a key objective of the club.

We are in a healthy financial position thanks to the support of all the clubs' loyal sponsors, the hard work of volunteers at our key fundraisers and the diligent financial management of our committee.

These key pillars enable us to operate successfully and provide opportunities to all our members, volunteers, and our proud supporter base.

I'd like to acknowledge the hard work of outgoing president David Haste for guiding the club through some extremely challenging years impacted by Covid, whilst still delivering projects like the redevelopment of the football precinct and social rooms.

I am looking forward to an exciting 2024 season. The club is in an enviable position both on and off the field which can be largely attributed the support and generosity of our sponsors. I hope you come along and join us for the journey in writing the next exciting chapter in the success of the IFNC.

The INFC is an important community hub; which brings together 1000s of locals of various ages and backgrounds. Inverleigh Hawks supporters are passionate, proud and uphold a number of core values, enviable of many community sporting groups. It is the important partnerships we foster with local businesses and families that allow the club to attract quality players and supporting staff, along with having the right equipment and facilities.

We have structured our sponsorship packages to be flexible, fair and mutually beneficial. We are committed to working with you to get the most out of your financial contribution. Whether you see your contribution as a donation or a sponsorship investment we are very appreciative and are here to help.
